WHAT IS BITBATON?

BitBaton is an advertising platform where our members can promote their business or ventures within our network. You will have the ability to place banners or text ads on our website where our members will be able to click and engage with your placement.

Many online marketers use websites like ours to promote their businesses. We get thousands of views to our website which can increase your visibility to other people. Our ad credits are done by impressions. Which means when you place an ad on our website, you will be in rotation with other members of our site. When your banner or text is displayed on a page, that is considered 1 impression which is 1 ad credit.

We have 6 packages on our platform at the moment. We may add more in the future but for now we have a Feeder version and an Elite Version.

Feeder 1 cost $12
Feeder 2 cost $ 22
Feeder 3 cost $52

Elite 1 cost $105
Elite 2 cost $205
Elite 3 cost $505

ADVERTISE YOUR BUSINESS!

NEW! FULL PAGE ADVERTISING SERVICE!

We added a new addition on our platform. It's a full page ad service where we pay our members to view ads for 10 to 15 sec.

Packages cost as follows:
16 Views - $1
80 Views - $5
160 Views - $10
320 Views - $20
640 Views - $40

Free and Paid Members can earn from viewing ads. Here are the limits. All members are paid $0.05 per page view.

FREE Members can view up to 10 Pages Per Day for 15 sec per session.
Paid Members can view up to 20 Pages Per Day for 10 sec per session.

Once you finished viewing an ad, images will appear on the top of the page for you to click on the double image, then you can proceed to move on to the next ad.

INSTANT BONUSES!

One of the best things about our program is the Instant Bonuses. When you refer someone into our system and purchases any pack, you get paid no matter where you are in the system. What does that mean? If you have a package in Feeder 1 ($12) and one of your referrals joins Elite 3, which is $505. You will get paid $100 instantly.

Here are the bonuses you will receive when your referral purchases a package.
Feeder 1 - $2
Feeder 2 - $5
Feeder 3 - $10
Elite 1 - $20
Elite 2 - $50
Elite 3 - $100

Reminder, you do not need to have a package in the system to earn
These commissions.

You can withdraw at anytime.

Unlimited potential. You can invite as many people and collect those commissions.

OUR 2X3 FORCED MATRIX BONUS PLAN

Our Powerful 2x3 Forced Matrix is like no other. You are paid per member, per spot, per level which means you are paid before you cycle. No waiting to fill all spots to get paid. When you refer someone and purchases a pack, they will land on your matrix. Please note, they will be in your matrix you are a part of. So, if you are in Feeder1 and they purchase Feeder 1, they will be in you matrix. But if your referral purchase a higher pack and you are not in that pack, they will be passed up to your upline. Good news is when you decide to upgrade to the next pack and when your referral re-enters after cycle, they will land in your matrix.

As mentioned before, you still get the instant bonus even if you are not in that package because the Sponsor Instant Bonus is a whole separate payplan.

We pay per member, per level. Also, each Package is a manual upgrade.
